Dear Church Family,

Wow - can you believe it's been four years!

Since we started meeting here on this property on November 1st 2020, the Lord has done some amazing things that have been so fun to watch. He chose us to be part of this plan *together* with Him. How great is our God!

Since the day God started His work here in Homosassa *together* with us, about thirty five people have grown into over 350 people that worship here every Sunday morning. Some weeks our attendance exceeds 400!

*Together*, we worshiped the Lord for the first nineteen months outside under a tent, and then a shade system. All while we waited for the remodeling of the building that we currently meet in a building that we are outgrowing. Imagine that! *Together*, we went from one men's group, and one woman's group to over twenty smaller "life groups" that meet throughout the week. Many ministry groups also meet *together* to serve the church in different areas. Most importantly, *together*, we have watched 143 people (and counting) be baptized into an eternal relationship with Christ including 71 so far this year!

What an incredible journey it's been so far, and I couldn't be more thankful that God has put me on your team"...for such a time as this" (Esther 4:14). These are just a few of the things the Lord has done in the last four years. Can you imagine what He might do in the next four years *together* with us?

As most of you know, God opened a door a couple of years ago for us to put a down payment on the property immediately south of us. We can envision a Family Life Center with a gymnasium on that land in the future, that would serve as an outreach to the community. Whether you were here four years ago, or just started coming to CFCC recently, you're part of the story that is Christ's Family Christian Church.

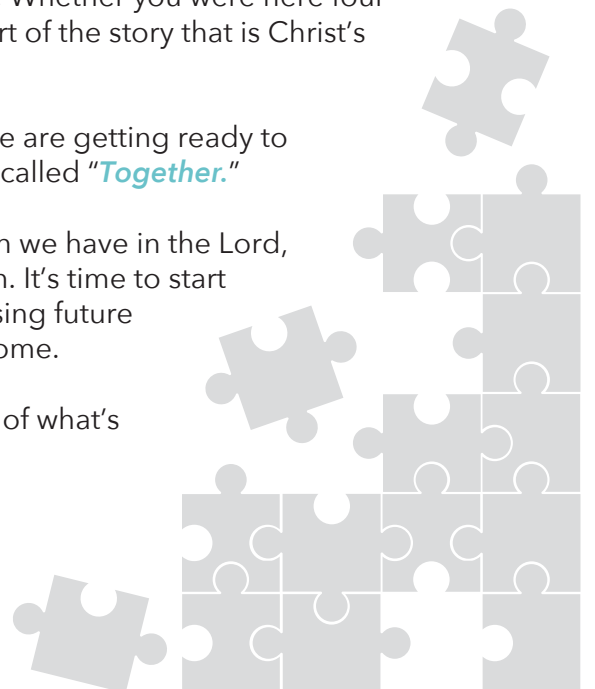

So the next step is...well you may have already guessed it - we are getting ready to embark on something we've never done before. An initiative called "*Together*."

This is an opportunity for us to show ourselves how much faith we have in the Lord, and then be overwhelmed by how He rewards us for that faith. It's time to start readying ourselves by taking the next step toward our promising future *together*. You'll be hearing more about this in the weeks to come.

Who's getting excited? I know I am, and I cant wait to be part of what's next with all of you, *together!*

Pastor Patrick
